

GOOD KARMA GLOBAL FOUNDATION

Established Since 2024

Spreading Kindness | Building Communities | Creating Sustainable Impact

About the Foundation

Good Karma Global Foundation is a socially driven non-profit organization established in 2024 with the vision of creating a compassionate and sustainable society. The foundation works actively in areas such as environmental conservation, women empowerment, humanitarian assistance, and emotional well-being support. With a strong belief that meaningful change begins with empathy and action, the organization is dedicated to uplifting communities and nurturing responsible citizenship.

Vision

To build a world where compassion guides decisions, communities flourish in harmony, and every individual has access to dignity, opportunity, and support.

Mission

- Promote environmental sustainability through plantation and eco-awareness initiatives.
- Empower women and underprivileged communities through mentorship and guidance.
- Provide humanitarian and emotional support services.
- Encourage kindness, service, and responsible social leadership.

Core Values

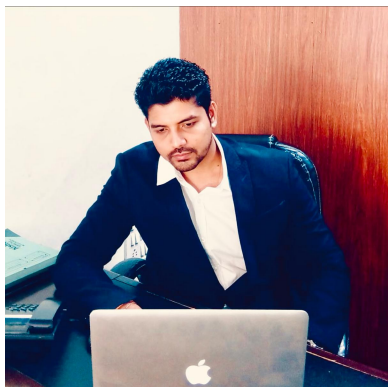

Compassion | Integrity | Sustainability | Service | Empowerment | Responsibility

Founder: Mr. Tawinder Pal Singh Girgla

A leading real estate professional of Navi Mumbai, Mr. Tawinder Pal Singh Girgla is known for helping families find homes filled with warmth and belonging. Beyond real estate, he is deeply committed to environmental sustainability, actively promoting tree plantation drives and community support initiatives. He believes that giving time, guidance, and presence to people in need is the highest form of service.

Founder: Mr. Prashant Naik

A respected real estate developer inspired by a legacy of philanthropy, Mr. Prashant Naik believes that real success is measured by the positive difference we create in society. Through Good Karma Global Foundation, he dedicates his resources, leadership, and vision toward empowering communities and driving people-centric development.

Founder: Mrs. Harpreet Kaur Girgla

A renowned tarot reader, spiritual healer, life coach, and crystal therapist, Mrs. Harpreet Kaur Girgla focuses on emotional healing and women empowerment. Her compassionate guidance helps individuals overcome life's challenges and reconnect with their inner strength, promoting holistic well-being and conscious living.

Key Activities

- Tree Plantation & Environmental Drives
- Women Empowerment Programs
- Community Outreach & Support Services
- Emotional Wellness & Spiritual Growth Sessions
- Support for Underprivileged Families

CSR & Partnerships

The Foundation welcomes CSR partnerships, corporate collaborations, volunteers, and donors who believe in sustainable social impact. By working together with organizations and community leaders, Good Karma Global Foundation aims to create measurable, long-term change.

Future Goals

- Expand plantation initiatives across Maharashtra.
- Launch structured entrepreneurship support programs for women.
- Establish community wellness centers.
- Develop sustainable rural and urban development projects.
